Continuing Education Online Learning Resource Roundup

NOTE:

The **Continuing Education | Online Learning Resource Roundup** document is no longer being updated by the AIBC and has been removed from the website. It was an interim resource that was published during the pandemic to support Registrants in finding online learning opportunities.

There are many resources still available for CES Participants to find both in-person and online learning opportunities. A list of several resources can be found below:

- [Events Calendar](#), including REP offerings
- [AIBC hosted events](#), including seasonal PD Series
- [Indigenous Peoples Learning Resources](#)
- [AIBC Conference and PD Day](#)

For more information about the CES Program, please visit the [AIBC website](#). If you have any questions about CES or are looking for more ways to earn LUs, please email professionaldevelopment@aibc.ca.
