Dear Mark Vernon,

I am writing to let you know that Order in Council No. 602 has transferred the administration of the *Architects Act* from the Ministry of Advanced Education, Skills and Training, to the Ministry of Attorney General, effective November 26, 2020 as part of the first stage of readying the transition of the regulation of architects from the *Architects Act* to the *Professional Governance Act*.

The Office of the Superintendent of Professional Governance has been pleased to work with you and your team as we prepare the AIBC to be designated under the *Professional Governance Act*. We look forward to continuing this collaborative effort, in addition to administering your existing statute in the interim.

Sincerely,

Paul Craven
