

AIBC PD DAY 2023

- > ONLINE EVENT
- > ONE DAY
- > LEARN & ENGAGE
- > EARN LUs

Taking place on **May 10**, AIBC PD Day 2023 is an **online only, one-day professional development event**, which provides learning opportunities for architectural professionals in a streamlined format. The event is a convenient and efficient way to meet continuing education requirements.

Join us virtually on May 10 from anywhere in the world to learn about topics that are impacting today's architectural professional practice.
