ARCHITECTURAL INSTITUTE OF BRITISH COLUMBIA

Below is the list of the Architects, professional engineers and professional licensee engineering who have successfully completed the CP Program course and upgrade requirements as of October 2026.

This list is provided for information only; professional registration status should be confirmed with the appropriate regulatory body (Engineers and Geoscientists BC or the Architectural Institute of BC). Authorities Having Jurisdiction may also maintain their own lists of Certified Professionals working in their jurisdiction, which is a subset of this list.
